EXCELLENT PREDISPOSITIONS

Croatia is a country with a rich cultural heritage, with many monuments included as zero category monuments on the UNESCO World Heritage List.

Croatia is also one of the best ecologically preserved parts of Europe. It can pride itself with a multitude of nature parks, such as Risnjak, Paklenica, the Plitvice Lakes and Northern Velebit in the mountainous area, and with the Kornati Archipelago, the island of Mljet, the Brijuni Archipelago and the Krka waterfalls in the coastal area.
